

This early collection on leather craft includes articles that would be both expensive and hard to find. It contains easy to follow instructions on making leather belts, and is accompanied by photographs and illustrations of the designs and techniques involved. This is a fascinating work and highly recommended for anyone interested in learning the art of leather craft. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Hawker 125 Apuntes del Piloto, London, Fun & Easy (Indonesian Edition), Capturing Natures Beauty: Three Centuries of French Landscapes, Transactions of the third International congress of tropical agriculture, held at the Imperial institute, London, S.W., June 23rd to 30th, 1914 Volume 1, The development of biochemistry in Canada, JOHNNY CASH: MOTION PICTURE SONGS.,
