

Anyone who dares challenge the Rho Project is being systematically picked off. At the top of the hit mans death list: NSA fixer Jack Gregory, and the three teenagers who first exposed the Rho Projects dark agenda to the world. On the run for their lives, Heather, Mark, and Jennifer know that the Rho Projects alien nano-technology has been released into the world, disguised as a miracle cure. But what they dont yet know is that the serum has taken on a life of its own, modifying human DNA in a way that even its engineers cannot control - one that will alter the very fabric of humanity.
