

Living a Life of Victory is the last of Dorothy's Trilogy. Its focus is to encourage the readers to remain faithful during times of adversity; to serve God no matter what comes against us, and know that God will honor our desire to serve Him. Remember God will not waste anything we go through in life. He allows us to grow through the hard things. He also matures us if we can stand the battles that come our way. When we pass the test we are being prepared for promotion. Simply remain faithful and fight life through. In due season, in God's appointed time, He will promote us to new levels of victory, and the abundant life that He has promised will be realized!
