**ABOUT THE SERIES** Soldier of the Legion is an action-packed, fast-paced science fiction series in the tradition of Starship Troopers. It chronicles the adventures of a squad of young soldiers dedicated to honor and duty who stand as the only shield to save humankind from those bent on their destruction. In book three of this exceptional series, the Beta warriors are harder and colder, stunned by the ongoing war with the Omnis. Thinker, Snow Leopard, Psycho, Priestess, and Dragon have survived. Half their team is dead, and new replacements can't compare with seasoned comrades of the Omni wars. The Beta team feels doomed, resigned to dying as they take the battle deep into Omni-held territory to penetrate a frightening place called The Mound. Deep inside The Mound, Beta will find the answer to defeating the Omnis.
