

A classic by Edward Rowe Snow, first published in 1943 and updated in 1944 and again in 1946, Storms and Shipwrecks of New England relates what William P. Quinn calls stories of stormy adventure. Jeremy D'Entremont has provided annotations to Snow's chapters, covering the pirate ship Whidah, the wreck of the City of Columbus, the Portland Gale, the 1938 hurricane, and more, bringing the information about the storms and shipwrecks up to date.
