

When the Revd Robert Melton first arrives at St Mungos, his initial enthusiasm quickly turns to despondency - until the biggest jackpot in US lottery history triggers a series of uncanny events that throws him, and the seemingly unconnected lives of people on both sides of the Atlantic, into a vortex of questioning, self-doubt and the search for truth. For all of them, try as they might to escape it, the past remains a constant presence. From the run-down despair of Roberts dying inner London parish to the yearnings for love and physical contact of the city's social outcasts - and from the money-driven hubris of Manhattan's financial elite to the home-spun wisdom of rural New England - *The Other Side of Loss* is a modern-day parable of loss and redemption, of despair and triumph, of human weakness and the life-affirming salvation of human strength in all its meanings. Any novel that weaves a high-tension narrative out of two priests, prostitution, and a lottery ticket has to keep you turning the pages.
