

Gustav Klimt, one of the great painters of fin de siècle Austria and the subject of Helen Mirren's latest film, *Woman in Gold* takes center stage in this passionate and atmospheric debut novel, which reimagines the tumultuous relationship between the Viennese painter and Emilie Flöge, the woman who posed for his masterpiece *The Kiss*, and whose name he uttered with his dying breath. Vienna in 1886 was a city of elegant cafes, grand opera houses, and a thriving and adventurous artistic community. It is here where the twelve-year-old Emilie meets the controversial libertine and painter. Hired by her bourgeois father for basic drawing lessons, Klimt introduces Emilie to a subculture of dissolute artists, wanton models, and decadent patrons that both terrifies and inspires her. *The Painted Kiss* follows Emilie as she blossoms from a naive young girl to one of Europe's most exclusive couturiers and Klimt's most beloved model and mistress. A provocative love story that brings to life Vienna's cultural milieu, *The Painted Kiss* is as compelling as a work by Klimt himself.
